Not available: Land for AAP national party office in key Delhi address

DAMINI NATH AND MALLICA JOSHI
NEW DELHI, JANUARY 23

A REPRESENTATIVE of the Aam Aadmi Party (AAP) went scouting for vacant land for its national party office, especially on the Deen Dayal Upadhyay Marg, with officials of the Land and Development Office, but vacant land could not be traced, The Indian Express has learnt.

The AAP, in a response, said the party was not shown any parcels of land and was informed that there was no land available as per its requirement.

After the Election Commission

recognised it as a national party on April 10, 2023, the AAP became eligible for allotment of land for building its party office as per the Union Ministry of Housing and Urban Affairs' (MoHUA) policy for land allotment to national parties.

AAP national secretary Pankaj Gupta then wrote to the L&DO, which comes under the MoHUA, on April 17 and April 20, 2023, regarding the allotment. The party had requested for land on DDU Marg or other centrally-located areas, where the Bharatiya Janata Party (BJP) and the Congress have been allotted land for their respective national offices.

On June 26, 2023, the L&DO wrote back to Gupta saying the

matter had been examined and a joint visit of an AAP representative and officials had been carried out to identify any vacant land, "specially on DDU Marg", it is learnt. No such vacant land was found, and the allotment could not be made, the L&DO told the AAP. Replying to another letter from Gupta on August 23, the L&DO informed him on September 15 that the matter had been examined again and no vacant land in the centrally-located area of New Delhi was available for allotment.

While sources in the ministry said that the party had been offered land in Saket, near the District Courts there, and in a

prime location in Civil Lines, a senior AAP official said they had not received any official communication in this regard.

In its response regarding the allotment, the AAP said, "The AAP is entitled to 1,000 square metres of land, given its status as a national party with 62 members in the Delhi Legislative Assembly. A representative of the AAP has visited only one location, but unfortunately they were not shown any parcel of land available. We are disappointed as we were neither shown any land nor the list of available land parcels, despite our requests. Rather, we were informed that there is no land parcel available as per our requirement."
